IC/74-1751  
9 August 1974

MEMORANDUM FOR: General Thomas

SUBJECT: Proposed ICS DCID

As indicated this morning, I had not received a copy of your proposed DCID on the ICS. I obtained one this afternoon, however, and offer you the following comments.

--If there is to be such a DCID, I concur on the contents of this proposal, with one exception. I urge the deletion of paragraph 2. j. (p. 3) on the grounds that--for obvious reasons--we should not seem to be committed by statute to produce specific papers on an annual basis.

--You might wish to consider--as a minor change--some effort to eliminate the overlap between paragraphs 3. b. (p. 4) and 4. c. (p. 5).
